

The Company:

Our customer is the French subsidiary of a medium-sized German chemical company headquartered in the Rhine-Main region. As an international supplier in the field of specialty chemicals, customers are supported by a global sales and service network consisting of own companies and holdings as well as a large number of agencies and dealers. The entrepreneurial activities range from research to the production of a wide range of tailor-made specialties.

As part of the growth strategy, the function

Head of Finance (m/f/x)

was newly created and must be filled as soon as possible.

Workplace: Alsace, France

We are offering:

- A strategic task with a high level of personal responsibility and freedom of design in an exciting and dynamic corporate environment
- An attractive, performance-based compensation package
- Very good development opportunities in a successful medium-sized company
- An open corporate culture with flat hierarchies in an international environment

The ideal candidate should have a proactive and entrepreneurial mindset and be able to make decisions based on the analysis of financial data due to an holistic perspective.

Main Responsibilities:

- Responsible for the financial planning, reporting and analysis of the company
- Leading the finance department and team
- Development and implementation of financial measures and sales evaluations to keep the company on course for growth
- Supporting management in decision-making by providing financial analysis and forecasts
- Development of a cost controlling for the location in cooperation with group controlling in the headquarter
- Ensuring compliance with financial regulations and laws in France

- Create and further develop the interface to the headquarter as well as maintaining and developing relationships with external partners such as banks, auditors and tax consultants
- Optimization of financial processes such as budgeting, accounting, accounts payable, accounts receivable, cash management and financial reporting
- ERP implementation/ project management

Your Profile:

- University degree in business administration, finance or a related field
- At least 5 years of experience in a similar position within an international acting company
- Extensive knowledge of financial planning and analysis as well as leading a team in finance/controllership
- Ability to interpret and analyse complex financial data
- Excellent knowledge of French accounting regulations and legislation (Plan Comptable Général) and IFRS
- Knowledge of using financial software and tools
- Fluent in French and English (German would be a plus)
